Stoughton Scouts Attain Eagle

Congratulations to Neil G, Aadil K.

Their local school system recently lauded the accomplishments of two new Mayflower Council Eagle Scouts.

Neil G. and **Aadil K.**, seniors at Stoughton High School and stalwart Scouts BSA of Troop 516 Stoughton, completed their Eagle Scout Project and passed their Board of Review.

The official Stoughton Public Schools Facebook page explained:

For his service project, Neil built several bat houses out of wood and constructed them with the help of his Troop. These bat houses are placed throughout the wooded areas to shelter these valuable animals.

Aadil made two historical signs at the newly renovated Glen Echo Park describing two lost buildings on the property: the Dance Hall and the Hotel Inn. You can visit Glen Echo to see the signs and learn more about each structure!

According to recent statistics from the Boy Scouts of America, only about 6% of Scouts attain Scouting's highest rank. To achieve the high rank, an individual must take on leadership roles within their Troop and community and earn at least 21 merit badges covering various topics such as first aid, safety, civics, business, and the environment. Additionally, they must research, organize, and complete a significant community service project.

Neil and Aadil, who camped at Camp Wanocksett during the summer of 2023, join 2022 Eagle achievers Matthew H. and William B.M. on an ever-growing list of Troop 516 Scouts earning the BSA's most outstanding achievement.

Troop 516 Stoughton, established in 1957, documents their first Eagle as **David Conrad ’62**.

“In earning this rank, young people gain new skills, learn to overcome obstacles, and demonstrate leadership among their peers and in their communities,” said Roger Mosby, outgoing president and CEO of the Boy Scouts of America in 2021. “Scouting’s benefits are invaluable, and we are elated that the opportunity to become an Eagle Scout is now available to even more youth—young men and young women alike.”

Congrats to Neil, Aadil, and all of their fellow Scouts who attained Eagle status in 2023.

2024 Silver Beaver Award Nominations

In Scouting, we say “it’s about the youth” and none of our adults are involved for the recognition, but every now and then we need to say thanks especially to those volunteers whose leadership and example has left a lasting positive impact on the program and the broader community. One way we do that is through nominating a Scouter for the Silver Beaver Award, the highest adult recognition a council can bestow. Take a few moments to reflect on volunteers within your unit or district and consider nominating them for the Silver Beaver Award.

To simplify the process this year a new online nomination form was completed. This form will allow you to save your work and go back and add additional information at another time prior to the nomination deadline.

SILVER BEAVER NOMINATION FORM

All nominations must be received by Tuesday, January 2, 2023.

A detailed nomination form, to review before completing the online form, is available by clicking here. Kindly do not submit paper versions of the form.

Questions regarding nominations should be emailed to: awards@mayflowerbsa.org. The awards will be presented at the Council's Recognition Dinner to be held April 24, 2024.

Frequently asked questions about the Silver Beaver Award:

Overview

To recognize registered Scouters of exceptional character who have provided distinguished service within a council. The award is presented by the National Court of Honor on behalf of councils.

Who Can Earn This Award?

Anyone may nominate any deserving registered Scouter to the council, which selects recipients for the following year. Each council may process their own annual allotment of Silver Beaver awards and shall send a list of Silver Beaver awards presented each calendar year to the National Court of Honor no later than January 31 of the following year.

Scouts Honor: Everett L.,

Troop 89 Medfield

“On my honor I will do my best to do my duty to God and my country and to obey the Scout Law; to help other people at all times; to keep myself physically strong, mentally awake, and morally straight.”

That’s what the “Scout Oath” says. And for all BSA Scouts, that serious statement remains omnipresent. But for certain Scouts, the desire to live by the Scout Oath becomes a primary focus.

For that reason (and many others, certainly) Everett L., of Medfield’s Troop 89, will soon receive a Congressional Award gold medal – the U.S. Congress’ highest award for youth civilian service; an achievement that “recognizes initiative, service, and achievement in America’s youth.”

Much like Scouting, participants in the Congressional program set goals across four areas – public service, personal development, physical fitness, and exploration.

Those who earn the Congressional Award complete a minimum of 400 hours of community service, 200 hours of personal development, 200 hours of physical fitness, and a minimum of a five-day, four-night expedition/exploration (over two years).

In 2021, over 50,000 students across the US enrolled, with only 5,000 being recognized for any award and only 517 receiving the gold. Nearly 2,000 of the applicants came from New England, and last year, just one gold was given out in New Hampshire and eight in Massachusetts for 19 total across the six New England states.

Since the program’s inception in 1979, approximately 6,000 gold medals have been awarded and Scouts BSA has been a partner program of the Congressional Award since 1999.

“Most of my activities for the Eagle Scout rank counted towards the requirements of the Congressional Award,” explained Everett, whose family lives in Meredith, New Hampshire. “I also looked for ways to use technology in service projects; STEM tutoring for local students, 3D printing of objects for the handicapped, and creating educational drone videos.”

Of course, service is a way of life for the Scout, who attends New Hampton School (also in New Hampshire) as a member of the Class of 2024, twice earning the NHS award for “100 Hours of Service.”

“Everett is a very hardworking, independent young man. He accepts new challenges without second guessing and is a perfect model of a community citizen,” said Mr. Ryan Daye, Everett’s advisor at NHS. “I am grateful to have him in my advisory group here at The New Hampton School.”

“Everett comes in and gets the work done,” added Mr. Tony Mure, also of NHS. “Everett is a shining example of hard work, discipline, and focus. His ability to work independently and follow directions is second to none.

“He is a natural-born leader.”

Everett’s Scouting resume says the same.

“Everett is a ‘Scout’s Scout’ who came in as a sixth grader with no background in Cub scouts,” said Scoutmaster Jim Hatch in his commendation for the Eagle Badge [completed in May of 2022].

”His passion for engineering is very clear,” added Hatch. “His integration of his love of technology and the medal’s service requirements is very creative.”

A member of the Tantamous Lodge of the Order of the Arrow, where his ordeal and vigil hours counted towards his

Congressional Award service requirements, Everett used Scouting as a scaffold for the Congressional program.

“It really builds off of Scouting,” he said. “And then it gives you the flexibility to create service projects that you design, which is where I was able to look for ways to use technology and engineering to help my community.”

Meanwhile, pursuing the Congressional award is also a family affair, Everett’s mother, Wendy,, was recognized for the Bronze Medal out of Culpeper, Virginia as a high school senior in 1994. Everett’s sister, Lillian, Inter-Lakes class of 2026, is currently pursuing a medal.

“Service is important to our family, the award is a great program, and Troop 89 is a wonderful way for young people to learn about helping others,” said Wendy.

“I’ll get a degree in engineering,” added Everett. “My service projects have really shown me how to use technology and science for the betterment of the community and I will continue that.”

However, for now, the Scouting adventure continues.

Everett is one of the 14 members of Troop 89 who will be hiking through the New Mexico back country at Philmont Scout Ranch in July of 2023 and plans to attend the Troop’s annual week at Camp Squanto near Plymouth, MA.

Congratulations and “Good Scouting!” Everett.

Scouts Honor: Dante D Earns Legion Eagle Award

Earlier this summer, the Venturing Crew 29 and BSA Troop 64 Scout earned the accolade during the American Legion Camporee at Gardner's Camp Collier.

Recently, the Mayflower Council was thrilled to learn that Dante D. received the American Legion Eagle Scout of the Year Award at the America Legion Camporee, held June 17-19, 2022, at Camp Collier in Gardner, Mass.

"My Eagle Scout Project was to re-side the tool shed at my middle school, Mullein Hill Christian Academy, and to clean up the surrounding area," explained Dante in the write-up of his project, which garnered the attention of the American Legion.

"Before I could start any work on the shed, I had to take measurements to see how much siding I would need to cover the shed," added the Scout. "Then I had to research and see which siding would be the best based on durability, longevity, appearance, and cost."

No Eagle Scout Project is easy. But Dante's was especially detailed. **Author's note:** *Dante's dedication while completing the task is evidenced by the no less than six Scouters who wrote in this summer to mention it and his American Legion award*.

"I contacted a local contractor to ask him if he could donate any materials for the project," explained Dante in his documentation. "He helped me come up with a list of needed materials, such as corner pieces, flashing, and other smaller items that would be required to finish the project.

"Once I had a list of the needed supplies and a budget, I

contacted local businesses to get donations not just for materials for the project but also for other items such as food and water for the volunteers."

Working in a short amount of time, Dante made the most of his materials and volunteers.

"The work happened over two days," continued the Scout. "On the first day, we removed any protruding objects and replaced any of the rotting wood found at the base of the shed.

"On the second day, we finished siding the shed," he wrote. "Then we had to wrap the shed in Tyvek wrap to prevent future water damage to the shed or siding. We then began to side the shed, having two groups of people, one cutting the siding and the other placing it onto the building.

"We also placed down a rock bed around the perimeter of the shed and pulling weeds. Once this was all done, we put up some signage and did some touch-up painting around the roof and door of the shed," wrote Dante.

The results speak for themselves. The work performed by Dante and Co. will have a significant impact.

With the shed re-sided and no longer exposed to the elements, the school's equipment – the bulk of it being landscaping equipment and machinery – would not be damaged. The new siding also extended the shed's longevity, helping the school save money on buying and repairing damaged gear.

As a result of Dante's hard work, the Massachusetts American Legion later recognized him as their Eagle Scout of the Year.

Scouts Honor: Eric H., Troop 28BT Cohasset

Eric H. of Troop 28 Cohasset Earns Glenn A. and Melinda W. Adams National Eagle Scout Service Project of the Year Award

Eagle Scout created "first responder sensory kits" to help first responders

Wrentham, Mass. – The National Eagle Scout Association established the Glenn A. and Melinda W. Adams National Eagle Scout Service Project of the Year Award to recognize valuable service of an exceptional nature by a Scout to a religious institution, a school, community, or other entity.

The award recognizes a Scout for their Eagle Scout leadership service project, which is part of the requirements for earning the Eagle Scout Award. Each year, local councils select a council-level winner, and each region selects a region-level winner from that pool. A national winner is then chosen from the four regional finalists.

On June 13, 2022, The Mayflower Council, BSA proudly presented the 2021 Glenn A. and Melinda W. Adams National Eagle Scout Service Award of the Year to:

Eric H.
Troop 28 Cohasset
Sensory Kits for First Responders

Eric's project raised awareness of autism while providing first responders with the resources and tools they need when they assist people with special needs. His project included: providing 80 sensory kits to multiple towns in the surrounding

South Shore towns of Cohasset, Hanover,

Hingham, Hull, Norwell, Scituate.

Eric saw this need for sensory kits after experiences with his older brother, who has autism, where first responders were not equipped to respond to his brother’s needs. To address this need, Eric spoke with a family friend who was a former EMT and Eric’s brother’s teacher at the Amego School in Franklin, Mass., to form his idea of creating a “first responder sensory kit” go bag.

The kits contain items to help first responders communicate with the person in need as well as bring them comfort.

Following the presentation of the Adams Award, Eric also received a citation and a medallion from Brigadier General (Ret.) Emery Maddocks of the Military Order of the World Wars.

“We have a really outstanding project to recognize,” said Gen. Maddocks of Eric’s Sensory Kits. “For dedication to the principles of the Boy Scouts of America as evidenced by not only by his achievement of the highest achievement in Scouting – the Boy Scout Eagle Award –but further by [earning] the 2021 Glenn A. and Melinda W. Adams National Eagle Scout Service Project of the Year Award.”

Update on the 19 Cub Scout Elective Adventures

In May of 2021, it was announced that 19 Cub Scout Elective Adventures would be retiring at the end of this program year (May 2022). See details here.

Elective adventures are reviewed for content and popularity. These 19 have been the least popular based on sales and advancement data. They will be archived in Scoutbook and Internet Advancement, removing the ability to mark them as completed after the retirement date of May 31, 2022. These 19 adventures are not being replaced with a new set of elective adventures.

Inventory at the Scout Shops for loops and pins is limited and

will only be available while supplies last. Cub Scouts can still wear the adventure loops and pins after that date. Once it’s earned, it’s not taken away from the Cub Scout.

STEM Nova Award Impact – STEM Nova Awards that include Adventures also include an Option A and Option B to earn the award. Cub Scouts may choose to earn one of the remaining Adventures or Option A or Option B.

World Conservation Award Impact – The Wolf and Webelos rank are impacted. The Bear rank has no changes.

For Wolf Scouts who want to earn the World Conservation Award, the requirement to earn the Grow Something Elective Adventure will be replaced with the following activities:

1. Select a seed, and plant it in a small container. Care for it for 30 days. Take a picture or make a drawing of your plant once each week to share with your den or family.
2. Find out the growing zone for your area and share the types of plants that will grow best in your zone.
3. Visit or research a botanical or community garden in your area and learn about two of the plants that grow there. Share what you have learned with your den or family.
4. Complete one of the following:
    - Make a terrarium.
    - Using a seed tray, grow a garden inside your home. Keep a journal of its progress for 30 days. Share results with your den or family.
    - Grow a sweet potato plant in water. Keep a journal of its growth for two weeks. Share the information with your den or family.

For Webelos (including Arrow of Light) Scouts, the requirement to complete 1, 3a, and 3b of the Adventures in Science adventure will be replaced with:

1. Draw a picture of a “fair test” that shows what you need to do to test a fertilizer’s effects on plant growth.
2. Carry out the experiment previously designed as a fair test of fertilizer’s effect on plant growth.
3. Carry out the experiment again but change the independent variable. Report what you learned about how changing the variable affected plant growth.

Here is the complete list of adventures that will be retired on May 31, 2022:

Tiger

- Earning Your Stripes
- Family Stories
- Tiger Tales
- Tiger Theater

- Maestro
- Movie Making

- Project Family

Changes to Den Leader Training Award Devices

As part of the National Council's ongoing mission to streamline and simplify the Scouting program, Scouting U, in collaboration with National Supply Group, has identified three Cub Scout device pins that will be discontinued from the program effective immediately.

These devices were traditionally worn on the Den Leader Training Award Knot, which recognizes den leaders who have completed training, tenure, and performance requirements. This Den Leader Training Award Knot (SKU 5016) will continue to be offered and is available to earn at any point throughout the den leader's tenure.

Limited inventory of the Cub Scout Device Pins is available in Scout Shops while supplies last. These items will not be restocked once fully depleted.

The following SKUs have been eliminated:

- 932 / Device WE Pin
- 604950 / Device CS Pin
- 620592 / Device Tiger 2015

Scouts Honor: Molly J, Troop 1920 Plymouth

What do you do when your Girl Scout Troop stops meeting? Well, if you are Molly J, you join a Boy Scout troop, then found a Scouts BSA Girls' Troop, earn Eagle Scout, and finally garner the title of "VFW Scout of the Year" in Massachusetts.

NBD. The Order of the Arrow is in there, too, BTW.

Yep, that's how Molly rolls. She sets up the challenges and just knocks them down. Over and over and over.

Rick Harbert of Wicked Local reported:

Plymouth's first female Eagle Scout is now also the state Veterans of Foreign War's Scout of the Year… Molly Joyce won the state VFW's 2021 title after winning similar honors on the local and district levels. [The junior] at Plymouth South High School received a $1,000 scholarship during ceremonies at Camp Squanto [in August].

A member of the first-ever girls' class of Mayflower Council BSA Eagle Scouts, Joyce joined Plymouth Troop 1620 after reaching the Girl Scout rank of Cadette. Then, she founded Crew 1920 (a fitting moniker, as the 19th Amendment to the Constitution was ratified in 1920, giving women full citizenship in the United States).

She then worked her way up the ranks of the BSA.

Molly, a Senior Patrol Leader, whose Eagle Scout Service Project restored the Stations of the Cross of St. Kateri Tekakwitha Church in West Plymouth, became an Eagle Scout on the same day as her younger brother Liam (whose Eagle project created shooting benches and targets for the gun club in Middleborough).

“To have a student reach that level is an incredible accomplishment because it takes a great deal of effort to get to that point,” Denis Russell, commander of VFW Post 1822, told *WickedLocal.com*. “It’s quite an achievement, and the VFW was proud to have her represent the state.”

Scouts Honor: Thomas R., Troop 101 Northborough

Eagle Scout project garnered 300 new LEGO sets for Boston Children’s Hospital

Recently, children at Boston Children’s Hospital received almost 300 new LEGO sets from a former patient turned Mayflower Council Eagle Scout – Thomas R.

Thomas, a sophomore at Willow Hill School and a Scout in Troop 101 Northborough, learned those little blocks’ true value while fighting through illness several years ago.

“During my stay, there was not much I could do because of all the wires attached to me,” he told the Community Advocate last August of his stay at Boston Children’s. “I remember the Child Life Specialist bringing me a new Lego set to build, and that was a lot of fun.”

The Eagle Scout service project, “The LEGO Drive,” was announced in April 2021 via YouTube.

BTW: Shout out to whoever played the LEGO Minifig in the video.

In the video, Thomas explained that he was a patient at Boston Children's Hospital in 2015; he talked about the cords and equipment and how the distraction of LEGOs was integral to his morale.

"I built [that] set and many more throughout my stay at Boston Children's Hospital," explained Thomas. "To bring that excitement to Children's Hospital, I am hosting a LEGO drive."

The Advocate elaborated on Thomas' plan:

Lego sets were collected using an Amazon Wishlist, which shipped directly to Thomas. He also had donation bins set up at his school and house. In addition, a drive-up collection was held at Assabet Park on April 11.

Of course, like many things during 2021, COVID-19 made things difficult for Thomas and his fellow LEGO drivers.

"I delivered 60 sets and will deliver the rest as soon as BCH has lifted their donation restrictions due to COVID," said Thomas last summer

Although tenacity is not an official part of the Scout Law, it is implied. Despite obstacles, Thomas was definitely HELPFUL to each of the kids at Boston Children's Hospital who received the LEGOs.

"I am grateful to everyone who contributed to help make this project a success," he said to the Community Advocate. "I hope the Legos will put a smile on the faces of the patients at Boston Children's Hospital like it did for me."

BTW: If you know of a Mayflower Scout who deserves some recognition, email John@MayflowerBSA.com.

A Scout is Helpful: Session Explains Scoutbook

The Mayflower Council looks to help leaders open Scoutbook on January 31…

Scouts BSA may have been born in 1910, but the current program is a little more contemporary vintage. And since a Scout is brave, Scouting continues to march into the digital landscape.

For example, did you know that Scoutbook is the BSA's online tracking service?

Scouting.org explains:

From the first knot tied to the final hours of service performed, the Scouting experience is a journey like none other. And Scoutbook is your go-to tool to ensure not a moment is missed – tracking advancement, milestone achievements, and all the fun along the way.

Okay, okay. You're familiar with Scoutbook. But maybe you are just a bit unsure of how to use the online module. Or perhaps you are just a bit technologically averse.

The Mayflower Council has a solution.

Mayflower Council Scoutbook Training: January 31, 7:00 to 8:30 PM

Does your unit use Scoutbook, or are you wondering how to get going with it? This session will cover a basic overview and ways to begin using it.

Topics like how to log in and how leaders sign off on

requirements will be covered. Please join us with your questions and come away with an understanding of how this tool can benefit the scouts and leaders in your unit.

So, Zoom in on Scoutbook!
