HOW TO DOWNLOAD THE BIGROAD MOBILE APP

ANDROID USERS

STEP 1:

From your Android device, click on the **Play Store** icon to launch the Play Store.

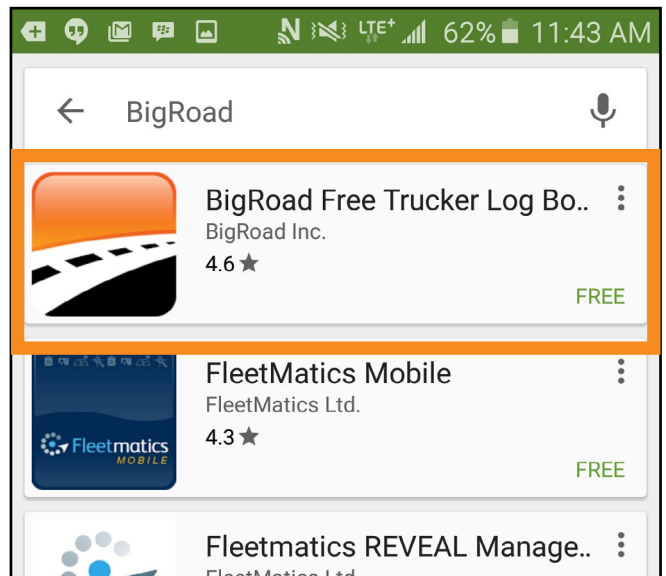

STEP 2:

Type **BigRoad** into the search bar located at the top of the page.

The **BigRoad Free Trucker Log Book** will show up in the search results.

Click on the **BigRoad Free Trucker Log Book** listing.

STEP 3:

The **BigRoad Free Trucker Log Book** page will now open.

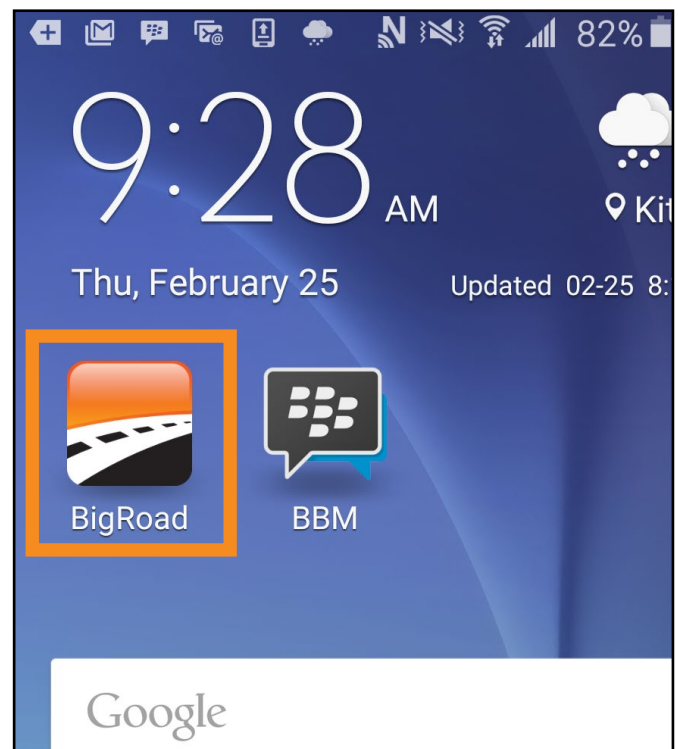

Click on the **Install** button to begin installing the BigRoad Mobile App on your device.

STEP 4:

Once the app has downloaded, the **BigRoad icon** will show up on your device home screen.

Click the **BigRoad icon** to launch the BigRoad Mobile App.

STEP 5:

The **BigRoad Mobile App** will now open on your device and you'll see the login screen.

Click the **Sign In** button.

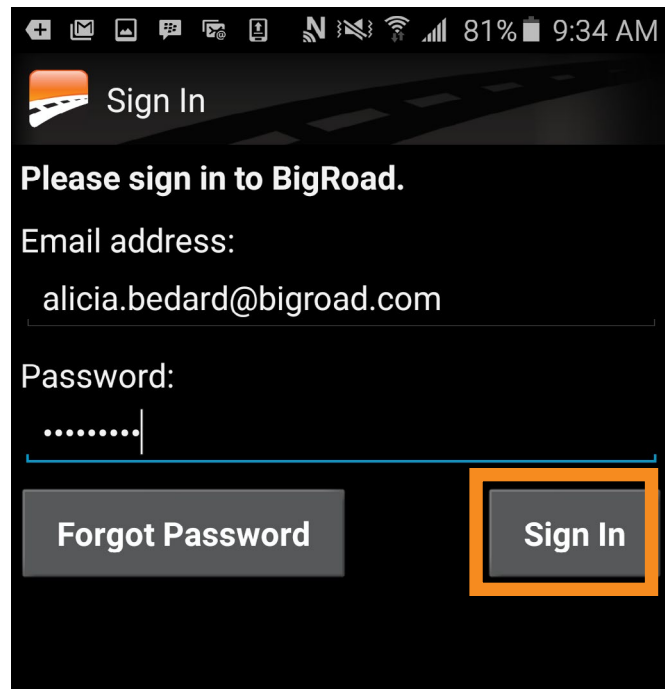

STEP 6:

Enter in your email address and password then click the **Sign In** button.

You should have received an email from BigRoad with your registered email address and a temporary password when your fleet manager added you as a member of their fleet.

If you have not received this email, ask your fleet manager to add you as a member of their fleet. If you have forgotten your password, click the **Forgot Password** button.

STEP 7:

Find or add your truck from the **Pick a Truck** screen. Here you'll see a listing of all the trucks that have been added to your fleet.

Find Your Truck

Search for your truck by licence plate number or by name. Once you find your truck, click on the name to add it to your account. Go to step 9.

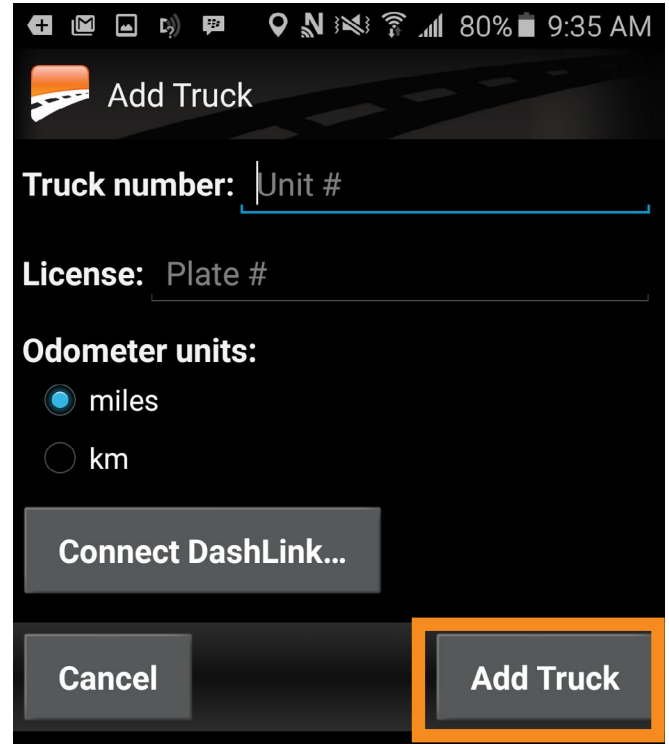

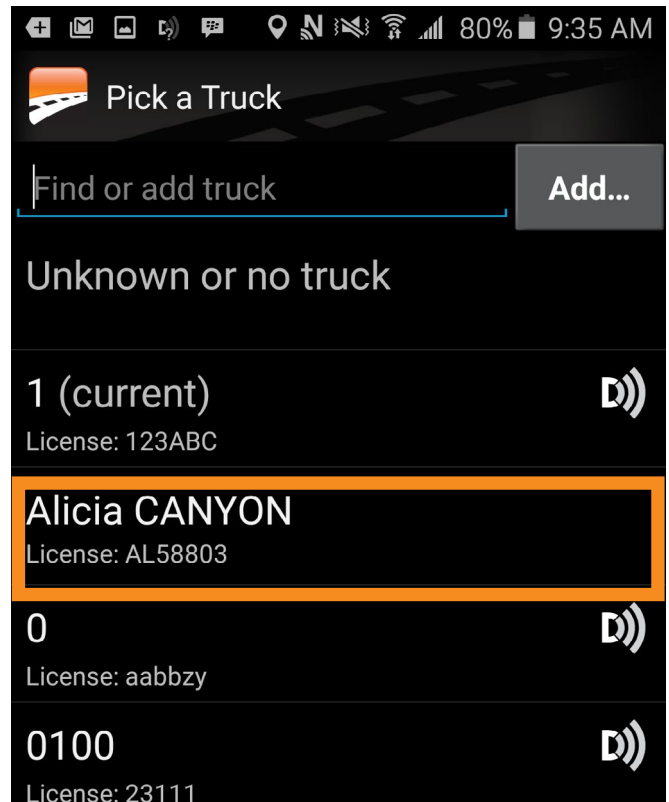

Add Your Truck

If your truck is not listed, you will need to add it to your fleet. Pick a name for your truck, enter it into the field and click the **Add...** button to add it to your account.

STEP 8:

Fill in your truck information including your truck number, license plate #, and select your odometer units.

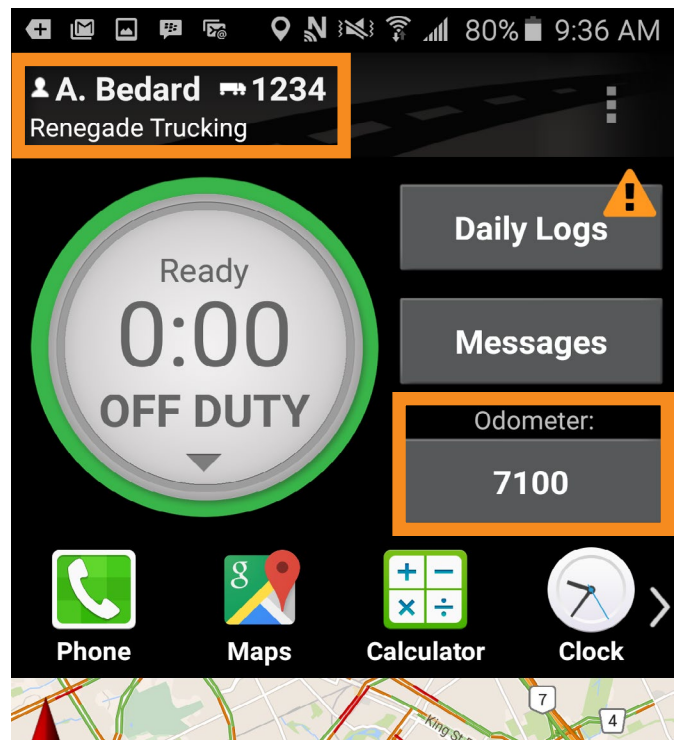

Click the **Add Truck** button once all information is filled in.

STEP 9:

Once you've found or added your truck, you'll be taken to the **BigRoad Mobile App main screen**. This is hub where you'll be working out of when using the app.

You should see your name, truck name, and fleet name in the top left corner of the screen. You'll also see your odometer reading to the middle right of the screen.

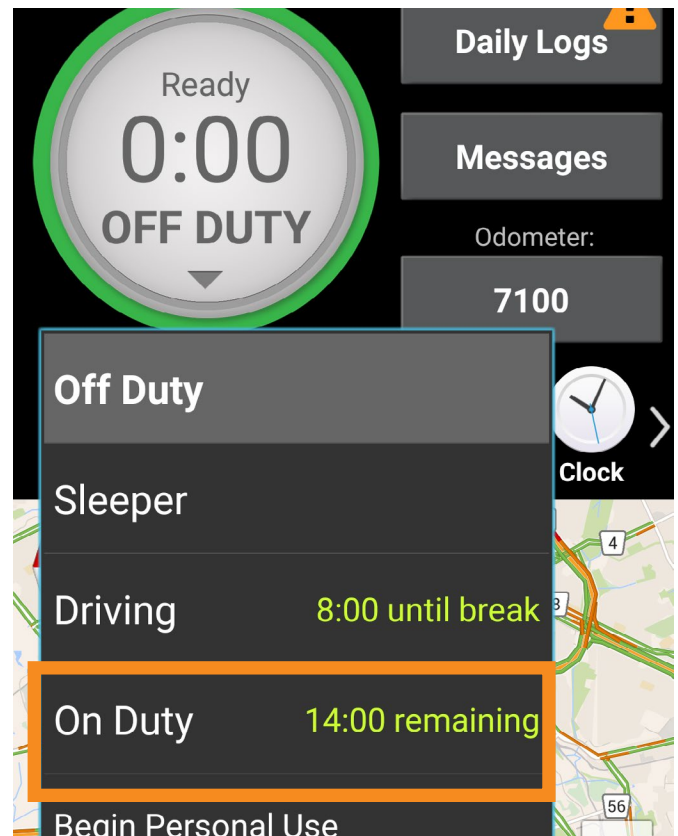

STEP 10:

Once you're ready to hit the road, tap the circle and change your status to **ON DUTY** by selecting it from the dropdown list.

Before heading out on your first trip, make sure you're comfortable with using the app.
