

AmeriHealth Caritas New Hampshire Outpatient Imaging Program Provider Education Webinars

In an effort to continue promotion of quality improvement for services provided to AmeriHealth Caritas New Hampshire members, effective September 1, 2019, AmeriHealth Caritas New Hampshire will use National Imaging Associates, Inc. (NIA) to provide the management and prior authorization of non-emergent, advanced, outpatient imaging services.

Services managed and authorized by NIA include **outpatient**:

- CT/CTA
- CCTA
- MRI/MRA
- PET Scan
- Myocardial Perfusion Imaging
- MUGA Scan

AmeriHealth Caritas New Hampshire and NIA welcome providers to attend an upcoming provider education webinar to provide an educational session on the NIA authorization process. There will be several one hour long webinar sessions that will take place on the following dates. You will only need to attend one of these educational sessions:

- **Tuesday, September 17, 2019** **12:00 p.m. EST**
Register at the following address: http://bit.ly/NIA_Sep17_12p
- **Thursday, September 19, 2019** **12:00 p.m. EST**

All AmeriHealth Caritas New Hampshire approved training/education materials are posted on the NIA website, www.RadMD.com. For new users to access these web-based documents, a RadMD account ID and password must be created.

To get started, simply go to www.RadMD.com, click the New User button and submit a “RadMD Application for New Account.” Once the application has been processed and a password link delivered by NIA via e-mail, you will then be invited to create a new password. Links to the approved training/education documents are found on the My Practice page for those providers logged in as an Imaging Facility and among the RadMD Menu Options for those logged in as Ordering Physician. If you are an Imaging Facility or Hospital that performs imaging exams, an administrator must accept responsibility for creating and managing all logins to RadMD. Your RadMD login information should not be shared.
