

Buzz Math Account Creation

www.buzzmath.com/join

The screenshot shows the Buzz Math website's sign-in page. At the top, there's a navigation bar with the Buzz Math logo and buttons for Teachers, Parents, Login, Join a classroom, and Sign Up. A red arrow points to the 'Join a classroom' button. Below the navigation bar is a large cartoon illustration of a man with glasses and a mustache. The main content area is divided into two sections. On the left, under the heading 'Already have an account?', there are input fields for 'Full name or email:' and 'Password:', a link for 'Cannot log in?', and a 'Sign In' button. On the right, under the heading 'or else', there are options to 'Join your class here' with a classroom code (1234-5678) and to 'Sign in with Google'.

Teachers Parents Login Join a classroom Sign Up

Already have an account?

Full name or email:

Password:

Cannot log in?

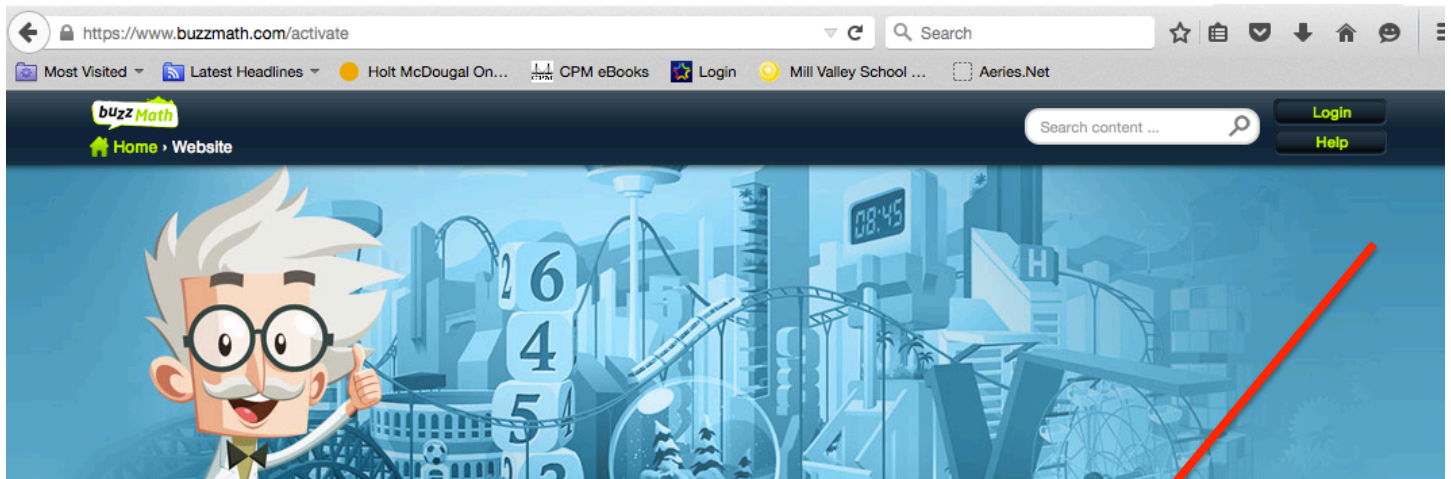

Sign In

or else

Have a **classroom code**?
Join your class here >

Have a **Google Account**?

Sign in with Google

Your school has subscribed you to **Buzzmath!**

Follow these steps to activate your account. Please note that you only need to **activate your account once**.

For future sessions, you can sign in from the [home page](#).

1

Enter your group code:

ex. ABCD-EFGH

Student Classroom Code
D92D-6F24

USE YOUR GOOGLE USERNAME AND PASSWORD/ID TO CREATE THE ACCOUNT- Once you have an account, you may also be able to select the “sign in with Google drive” feature (from the second screen shot). But, this is new and I have not tried it yet. You will have to experiment on your own once you have created an account. It is important that you create the account **FIRST** so that it is linked to our class.
