January 11th, 13th, 18th, 20th
6pm-10pm

We are currently in need of
volunteer receptionists
education advocates
peer counselors
nurse consultants

Sanctity of Human Life Sunday January 23rd

Since 1983, Americans have
observed (SOHLS) as a day to
celebrate the intrinsic value of
all human life. This important
day also provides as
opportunity for pregnancy
centers to share about the work
they do to bring life-affirming
resources to their communities
and to empower women and
men to choose life for their
unborn children

Please call if your church would
like to participate this year.

Each A Unique Story...

Pregnancy Resource Center has the privilege to serve many types of families. Often we see women who are deciding between life and death for their children. Sometimes though, they have made that important decision to carry their baby and parent-and need help. We are here in all instances even for those who chose abortion in the past.

We are excited that so many clients of different nationalities are utilizing our services. We have become a trilingual center with English, French, and Spanish clients. We recently even served the Chinese community. If you would like to volunteer at the PRC, just give us a call to sign up for our next training seminar.

It is a Relationship that Matters...

Our ministry exists of course, to reach out to those who come in our door, offering hope, help and positive options. The core of this however, is building relationships with those we see. When we create a relationship built on trust with our client, true ministry is possible.

The same dynamic exists for all of us who are a part of this ministry. As we bond together to create a powerful entity that is changing lives and saving lives in the process, we realize that it is *relationship* that is most important.

Continued from front...

So are we. And if we look closely at the lives of those early Christians we're going to find that they didn't invite people into their growing family of believers based on what a person could give or offer. Instead, they invited *anyone* who wanted to follow Jesus Christ.

In a sense, we're doing the same thing here. We don't invite you to be a friend of this ministry based on your abilities or resources. Instead, we invite *anyone* with a heart to change lives—and our culture—to join in this calling.

If you decide you want to know the Pregnancy Resource Center better, it is a simple process. Just drop me an email at carenet1@casscomm.com and I—or another friend of this ministry—will get in touch with you. Let's start a relationship; a friendship.

Let us show you around; let's talk. Let's both look at this ministry and see how we can make it better, more effective.

The truth is, we want to build a relationship without strings that allows *you* to explore God's plan for you here. Ask questions; share your thoughts. Just drop me an email or give me a call at 217-322-2700 and we'll visit. That's how strong, life-changing relationships often start, and I can't wait to begin.

From the Director's Heart...

Executive Director
Annette Cooley

"I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well." Psalm 139: 13-15

We are well aware that God sees each of us at the PRC as unique individuals with unique talents and gifts. It is our desire for each of our

clients to realize this as well. Each day we can be what Jesus intended when he made us in that secret place. In turn, we model this to those we serve. In doing so we help our clients to see who Jesus can be for them—personally. Will you join us in praying for our clients to grow in Christ.

Thank you for partnering with us! Please contact us anytime. Pregnancy Resource Center-Rushville, IL 62681
