

Logging into Galileo K-12®

Via a Web Browser

Background Information

Galileo K-12 is now part of Imagine Learning

With the new partnership between Imagine Learning and Assessment Technology, Inc. (ATI), the process for logging into Galileo K-12 via a web browser has changed.

To access the Galileo K-12 application you have used in the past, you and your students will visit a new URL. With this new log in experience comes an exciting new option for your students – access via QR code!

If you have technology or navigation questions as your students complete the assessments, please contact the Imagine Learning Customer Care Team at 866.457.8776 (call or text) or support@imaginelearning.com.

Staff Login Process

Visual

1 Visit login.imaginelearning.com or the legacy ATI staff login page

a. Visit login.imaginelearning.com – the new login URL for Galileo K-12 customers.

This link can also be accessed from the red “Login via Imagine Learning” button on the Galileo K-12 Staff and Student Center sign in pages.

After August 31, 2019 these pages will fully redirect to the Imagine Learning portal page.

2 Login using your credentials and accept the license agreement

a. Teachers and administrators will log in on the **Educators** tab. Enter your email address and password and select “Log In.”

Account credentials

Your login is the email address provided to Imagine Learning. You should have received an email from Imagine Learning prompting you to change your account password.

If you forgot your password, click the “Forgot your password?” and enter your email address. You will be sent instructions for resetting your password.

b. Accept the electronic services agreement.
Educators logging in for the first time must accept the license agreement at the bottom of the page to continue (**does not apply for students.**)

General Provisions: The internal laws of the State of Arizona will govern the remaining provisions will remain in full force and effect.
