

## How to create a Bridge Base Online (BBO) account

1. Click on <https://www.bridgebase.com/> to go to Bridge Base Online.
2. Near the top right of the page, click on the red button:

3. About two thirds down the page, click on the blue button:

4. You will need to fill in your details:

<u>User name</u> Max 10 characters 0/10	Required	<u>Real name</u>
<u>Password</u> Max 10 characters 0/10	Required	<u>ACBL Number</u>
<u>Confirm password</u> Max 10 characters 0/10	Required	Other
<u>E-mail address</u>	Required	

5. Choose a User Name. It needs to be a name that hasn't already been chosen. It is strongly advised *not* to use spaces or unusual characters like underscore in your name as this is likely to lead to mistakes. Also, the use of a double space is not supported at all.
6. The word **Required** will change from to **Unavailable** to **Available** when you have chosen a unique name. It's a good idea to write down your User Name so you don't forget.
7. Choose a password that you will be able to remember. The word **Required** will change to blue **Required**. This is a little confusing: your password is still accepted. You will then need to re-type your exact same password (spaces matter) where it says Confirm Password – again the word **Required** will change to **Required**. Again, it's a good idea to write down your password so you don't forget.
8. Put in your email address.
9. You can choose to put in your real name or leave it blank. It is worth putting it in so that your friends on line will know who you are.
10. ACBL number – leave this blank unless you belong to the American organisation.

- Under 'Other', you can put in any other information you wish others to see, or just leave it blank. Some put in their preferred bidding systems.
- Under this, you will see multiple choice boxes:

Skill level	Country
Private	Northern Ireland
Novice	Norway
Beginner	Oman
Intermediate	Other
Advanced	Pakistan
Expert	Palestine
World Class	Panama

- Select your skill level and scroll the list to select your country.

- Immediately below this:

I agree to the [Terms of Service](#)

- You will need to agree to the Terms of Service so that the small box has a tick in it as shown above. Then click the blue box [Register](#).

- Very soon after this, you should then receive an email asking you to confirm your registration. It will contain a blue button, similar to below, which you will need to click:

- That should complete your registration and you will have created your Bridge Base Online account.

- To get in to Bridge Base Online to play, you need to log in.

Click on <https://www.bridgebase.com/> and you will be taken to the Log In page where you first started:
