Medical Records

Personal Health Record can be requested by clicking on the Request PHR on the right side

Request PHR

3. You will be taken to a page showing a history of visits, medications, conditions, results and more.

From here you will have the ability to:

- **Download PHR (CCD)** - download a “continuity of care document” that can be imported into other health portals
- **Download PHR (Readable)** - download a copy of your records as an HTML file
- **Print** - print your records to paper, or save them as a PDF

These export options are available along the top of the page.

The screenshot displays the Main Line HealthCare Physician Network interface. On the left is a sidebar with navigation links: Main Line HealthCare Physician Network, Powered by eClinicalWorks, EXPAND ALL, Dashboard, Medical records (with sub-links for Lab / Diagnostic R..., Visit Summary, Personal Health Record, Referrals, and Immunization History), My Account, Messages, Appointments, Questionnaires, Health Tracker, and Education. The main content area features a header with a home icon, Practice Details, and Sign Out. Below this is a green-bordered box containing three links: Download PHR(CCD), Download PHR(Readable), and Print, with a mouse cursor pointing at the Print link. The patient information section includes a warning: "Important: Please note only data that has clinical mapping will be shared/transmitted." The patient details are as follows:
