

How to Create a Profile on ResearchGate

ResearchGate's mission is to connect researchers and make it easy for them to share and access scientific output, knowledge, and expertise. On ResearchGate the researchers find what they need to advance their research.

1. Go to **www.researchgate.net** and click on **Join for free**.

2. You can choose any option from the following.

3. For example- if you select **Academic Researcher**, following page will appear. Then provide information and click on **Continue**.

4. Provide information and click on **Continue**.

First name
|

Last name

Your institution email

Password [:show password](#)

By clicking Continue, you agree to our [Terms and Conditions](#) and the [Statement on Privacy and Data Protection](#)

Continue

5. This page might show some papers related to your name to confirm your authorship. If you find your paper there, click on **I am the other** otherwise **This is not me**.

Please confirm your authorship – is this you?
Tell us which of these publications are yours to add your research to your profile.

AR Das
Author of 4 publications, including:

I am the author

This is not me >

Article: **Effects of Vitamin E and Vitamin C on Mercury Induced Toxicity in Mice**
MA Huj, MA Awa, V Mosiola, A Ghosh, AR Das

Invite my co-authors to ResearchGate [Preview](#) [Skip this step](#) **Continue**

You can also ignore this and click on **Skip the step** on next pages. After few pages the following page will appear. You can upload your photo or you can also skip this step.

Add your profile photo

Upload a photo

Use your webcam

Import from Facebook

Or, select another photo from these images we found online:

[View conditions for uploading files](#) [Skip this step](#) **Complete sign-up**

6. If you click on **Skip this step** the following page will appear.

7. To complete your registration verify your email address. Open your email account and check the email from ResearchGate. Just click on **Confirm your email address**. Now the process is complete. You can edit your profile from here and follow other people of your network. To sing out, click on the symbol marked with arrow in the following picture. Then click on **Log Out**.

8. To log in again, go to **www.researchgate.net**, click on **Log In** and log in with your IUB Email ID and password.
