

Wisely Pay by ADP™ card FAQs

What you need to know about the Wisely Pay card.

Important information about procedures for opening a new prepaid card account.

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open a prepaid card account, we may require that you provide your name, address, date of birth, Social Security number, tax identification number, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

Getting Started with Your Wisely Card.

Your employer should fund your card with your pay on payday. You can use the card to purchase goods and services everywhere Visa® or Mastercard® debit cards are accepted, and withdraw cash at all participating ATMs. (Please refer to the Cardholder Fee Schedule for applicable fees.) Once your card is activated, you can view your balance on the FREE myWisely Mobile app, or online at myWisely.com.

Preauthorization Holds

Gas Stations – When using your card at gas stations, it is best to prepay the cashier the exact amount. If you pay at the pump, a hold of up to \$100 or more may be placed on your card. This hold may last up to 5 days. (Hold times may vary depending on the merchant.)

Restaurants – Restaurants may automatically add up to 25% or more to your bill to cover a tip. If you do not have the total on your card to cover the amount, the transaction will be declined.

Hotels – Hotels may place a hold on your account for your room reservation; that hold is typically released upon checkout, but it may last up to a couple of weeks.

Holds – Some merchants may require different authorization hold times. The information listed above is a reference and not a guarantee of hold length.

Using your Wisely Card outside the U.S.A.

To use your Wisely card for transactions outside the United States, including U.S. territories, you are first required to pass additional validation.

Lost or Stolen Cards.

Report a lost, stolen, or damaged card to our call center immediately by calling 866-313-6901. We will cancel your card and transfer the funds to a new card that will be sent to you. If you would like to access your funds prior to receiving your replacement card, please ask the representative to authenticate a Wisely Check by ADP. The check can be found in your original Wisely Card Welcome Kit. Once the Wisely Check is authenticated, the representative will provide you with the available balance and your 6-digit authentication number, which you must record on the check. Funds for that check will immediately be deducted from your card balance to allow payment when presented (you CANNOT change the check amount or the check will be returned).
