1.0 POLICY OR PURPOSE

- 1.1 The purpose of this policy is to set forth guidelines to govern secondary employment by members of the Pittsburgh Bureau of Police.
- 1.2 It is the policy of the Pittsburgh Bureau of Police to permit members to engage in secondary employment within the guidelines set forth in this policy. These guidelines are intended to inform members of the types of secondary employment that are appropriate and to establish procedures to maintain accountability. These requirements are essential for the efficient operation of the Bureau of Police and for the protection of officers, the Bureau and the community.
