

Regence Online Enrollment

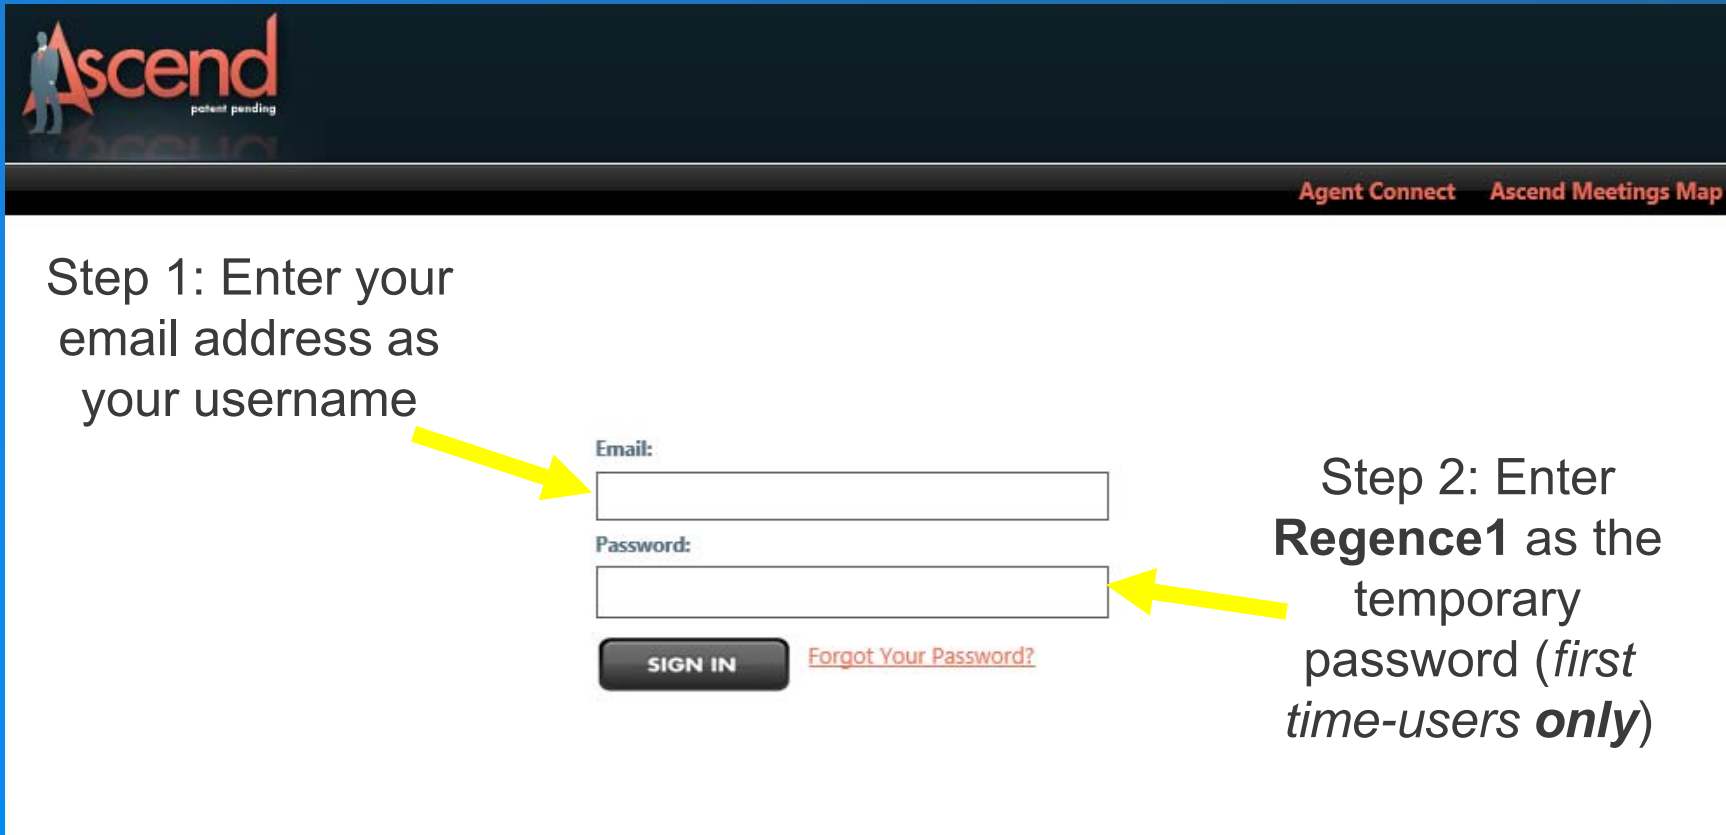

Presented by Jenny Stark, Medicare Sales Executive

Why Online Enrollment

- Easy to use! NO paper application required!
- Quick turn-around time for enrollment – can save up to a week's time!
- Avoid errors/missing information
- Use for both Medicare Advantage and Medigap enrollments
- Track your Medigap application status through “Producer Center”
- Confirmation code received after submission
- Using your agent link assures you're the agent of record
- IF you get a paper application you can submit it through the online enrollment system “Agent Portal” within the same day – keep the paper application (do not fax or mail)
- Keep the Scope of Appointment (do not fax or mail if enrolled online)
- If you enroll Medicare Advantage in person you only need to leave a Summary of Benefits behind – not a full packet!

Paying Your Plan Premium

You can pay your monthly plan premium (including any late enrollment penalty that you currently have or may owe) by mail, online, by phone or Electronic Funds Transfer (EFT) each month. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board (RRB) benefit check each month.

If you are assessed a Part D-Income Related Monthly Adjustment Amount, you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security benefit check or be billed directly by Medicare or RRB. DO NOT pay Regence Medicare Advantage Plans the Part-D IRMAA.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for Extra Help online at www.socialsecurity.gov/prescriptionhelp.

If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.

Please select a premium payment option:

☐ Get a bill (A billing statement will be sent in the mail)

☒ Electronic funds transfer (EFT) from your bank account each month

Please Read This Important Information

If you currently have health coverage from an employer or union, joining a Regence Medicare Advantage PPO or HMO plan could affect your employer or union health benefits. You could lose your employer or union health coverage if you join a Regence Medicare Advantage PPO or HMO plan. Read the communications your employer or union sends you. If you have questions, visit their Website, or contact the office listed in their communications. If there isn't any information on whom to contact, your benefits administrator or the office that answers questions about your coverage can help.

If you have a Medigap policy and join a Medicare Advantage Plan (Part C), you may want to drop your Medigap policy. Your Medigap policy can't be used to pay your Medicare Advantage Plan copayments, deductibles and premiums. If you have Medigap coverage with another carrier, please contact them for disenrollment.

Please read and sign below

By completing this enrollment application, I agree to the following:

Regence Medicare Advantage Plans are a Medicare Advantage plan and has a contract with the Federal government. I will need to keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time, and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future. I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (Example: October 15 - December 7 of every year), or under certain special circumstances.

I understand that my signature (or the signature of the person authorized to act on my behalf under the laws of the State where I live) on this application means that I have read and understand the contents of this application. If signed by an authorized individual (as described above), this signature certifies that 1) this person is authorized under State law to complete this enrollment and 2) documentation of this authority is available upon request from Medicare.

Please select the statement below that best describes your relationship to the person with Medicare listed on this enrollment form: *

☒ I am the person listed on this enrollment form.

☐ I am the person authorized to act on behalf of the individual listed on this enrollment form under the laws of the State where the individual resides.

Important Tips PURL

For clients doing applications back-to-back (i. e., husband and wife), start each application by clicking on PURL instead of starting the next application by clicking HOME from the confirmation page.

Personal URLs: Please copy the entire PURL link and store it in an easily accessible place. This link ensures the app will be tied to you for commissioning purposes. It must have the words “AgentCreditCode” followed by a series of numbers, letters, and special characters, which is unique to each agent (**EXAMPLE:** <https://regence.isf.io/2020?AgentCreditCode=xAB-123-CD-123xxxxxxxxxxxxx>).
