Find a health care professional.

CIGNA can provide you with access to an extensive network of qualified and caring health care professionals. **Your good health is important, and we're here to help.**

With a growing nationwide network of 645,000 providers and more than 4,200 hospitals, we offer the choice you need when searching for health care professionals to help you manage and maintain good health. With so many options to choose from, you'll find a solution right for you.

Find a health care professional today

You don't have to wait until you're enrolled in your health plan. There are two ways you can locate a network health care professional:

1. Visit mycignaforhealth.com and select *Find A Health Care Professional*
2. Call your third party administrator during business hours Monday through Friday.

Once you click on *Find A Health Care Professional*, select:

- Find a provider.
- Search by name, specialty, or medical condition (when asked to select your plan option, choose PPO).
- Optional search criteria allows you to specify provider, gender, secondary language and board certification status.

Special features enable you to:

- Compare up to five health care professionals, side by side.
- Print out door-to-door directions.
- Save your doctor as an email "contact".
- Create custom lists of specialists located close to work or home.

We reference CIGNA and Great-West Healthcare to accommodate all covered individuals. CIGNA covered individuals, please disregard Great-West Healthcare references.
