Welcome To Administrative Section
This is where you may set up and track attendance at classes (formal classes attended by your members), events (such as meetings, fundraisers, etc), training and drills, and emergency incidents. Within each of the sections below, you may also track service award points.
Within each category, you create either a class, event, drill or incident, and then you may track who attended or completed each selected class, event, drill, etc. There is also a miscellaneous section for assigning service award points for other custom-entered items. Simply click on what you want to do, and then follow the additional on screen directions.
Manage Classes
Add/Edit/Delete Class Names & Details. You can also Add class completions for groups and Add/Edit class completions for individuals
Manage Events
