IHS Markit ERC Registration Guide

How to register and log into the IHS Engineering Resource Center (ERC) to access your IHS Markit subscription products like IHS Engineering Workbench™ or IHS Standards Expert™.

Account Login

On the **Account Login** screen, enter your company issued Account Login name and Account Password. This is the Login name and Password your company was given when an IHS Markit subscription product was first purchased by your company. **Note:** Users that log in through an automatic link from their desktop or an Intranet will bypass the Account Login screen and be presented with the User Login process described below.

Account Login

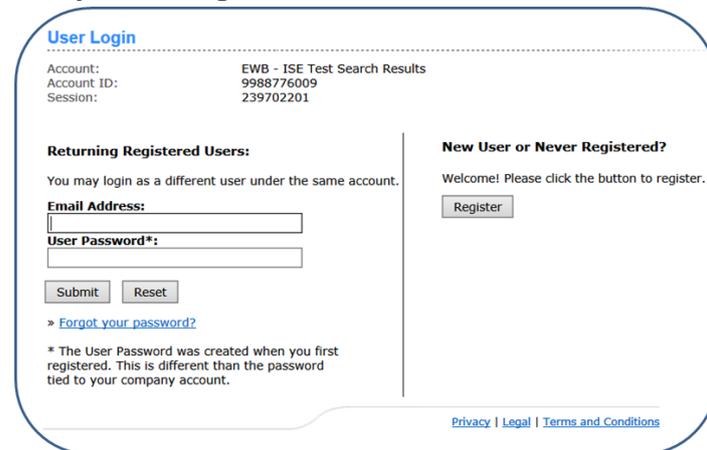

Use this login to access products from the Engineering Division including: IHS Standards Expert, HAYSTACK®, 4DOnline Parts Universe, CatalogXpress®, Fasteners eCatalog, AV-DATA®, and more.

Not Registered

If you **HAVE NOT** registered, click on the **Register** button to enter your profile information.

Registered

If you **HAVE** registered, but your cookies have been deleted or you are logging in from a different machine, simply enter your **Email Address** and **Password** and click **Submit**. The IHS Markit ERC Main Menu displays and you can select a product to which you subscribe.

Incorrect Email Address

If you enter your email address incorrectly or have forgotten your password on the **User Login** screen, you are prompted with a message explaining the steps to retrieve your password. This can also mean that you have never registered and your email address was not found in the IHS Markit system. If you have not registered, please click on the **Register** button to register as a new user.

New User Registration

If you clicked on the **Register** button on the *User Login* screen, you are prompted to create a User Profile on the **User Registration** screen. You will only have to enter this information once. Once you have submitted your information, a browser cookie is created. This allows the system to recognize and register you when you log in to keep track of your personalization information for you, such as lists, alerts, and purchases.

Important Notes:

- (1) To store your profile information, you must have cookies enabled on your system.
- (2) IHS Markit does not sell or rent online user information to other companies, and you will not receive unwanted spam as a result of completing this registration form.

On the **User Registration** screen, you will be asked to enter your First Name, Last Name, Email Address, and a Password. Re-enter the password, answer two Security Questions, and then click Submit.

If you would like to receive product updates and support information notifications or information about other IHS Markit products and services, simply click in the check box and further information will be sent to you.

Already Registered?

If you have already registered, click on the **>>Already registered? Log in ...** link on the User Registration page, enter your email address on the *User Login* page, and then click **Submit**.

Please note you may have to answer your security questions before continuing.

Main Menu

Once you have successfully logged into the Main Menu, you may select a product such as IHS Engineering Workbench or IHS Standards Expert from the Main Menu, or you may directly enter a preselected IHS Markit product, bypassing the Main Menu. When you are finished using your IHS Markit subscription product, you can log out or click on the **Main Menu** link in the application to return to the product list menu, and then select another product to which you subscribe.

User Registration

Welcome to IHS! Please take a moment to complete this one-time "user" registration. **Note that your email address will be your username.** The email address/password will only be used to protect your profile information. You will continue to use your company login or portal to access these services. This will not change the way in which you currently access the products for which this account currently subscribes.

This information is considered confidential. For details, please review the [IHS Privacy Policy](#).
