

## Parent Sign-up Instructions for Edmodo

1. Have your student log into their Edmodo account ([www.edmodo.com](http://www.edmodo.com)). On the main home page, in the bottom right hand corner is a section labeled “Parent Code.” In this section is your unique code for registering as a parent. Write down this code, then have you student log out to the Edmodo home page.

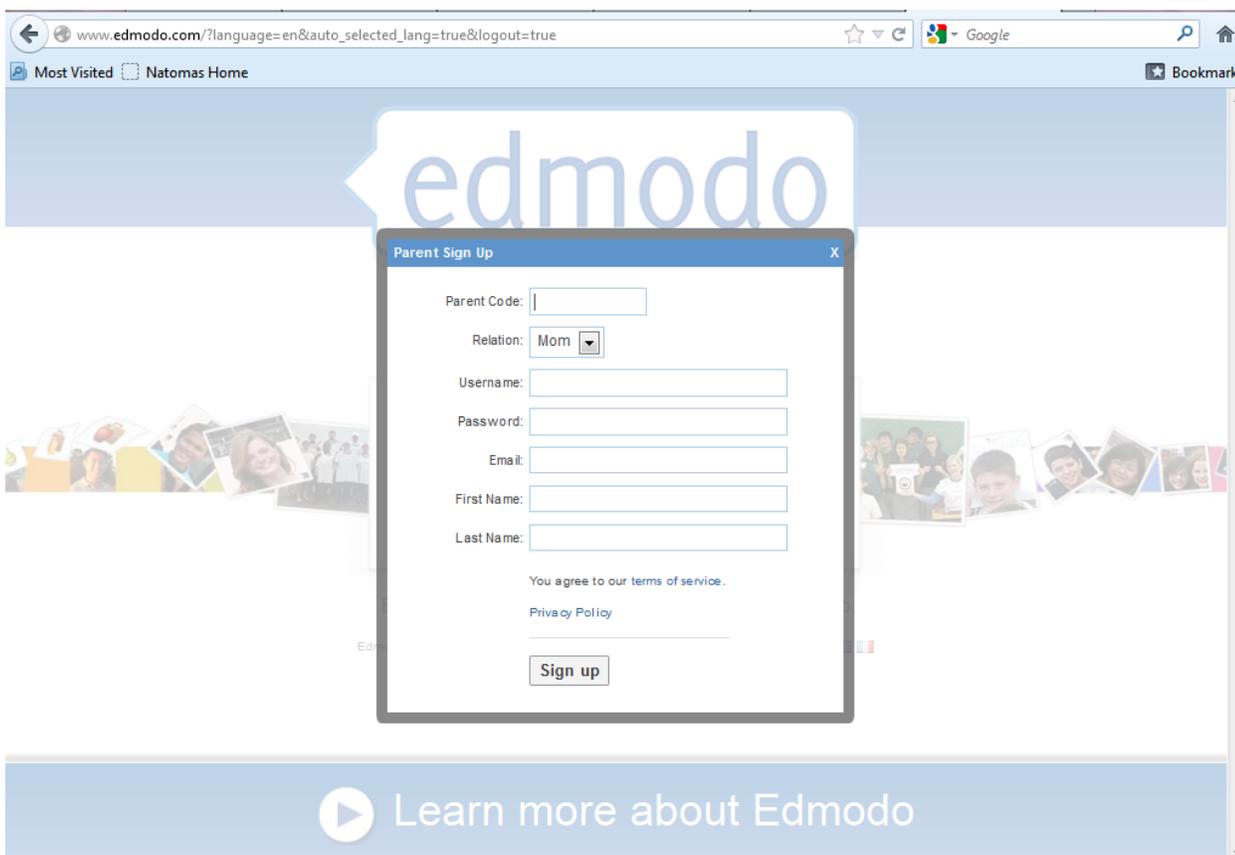

The screenshot shows the Edmodo home page interface. At the top, there is a navigation bar with the Edmodo logo, a search bar, and links for Calendar, Grades, Library, Home, Profile, and Account. Below the navigation bar, the main content area is divided into several sections. On the left, there is a profile section for 'Student Krasko' and a sidebar with 'Latest Posts' and 'Groups'. The central area displays 'Latest Posts' with a form to create a new post and a list of recent posts. On the right, there is a 'Notifications' box and a 'Parent Code' section. The 'Parent Code' section is circled in red and contains the text: 'Give this code to your parents so they can create an Edmodo account:' followed by a blue button with the code 'kjskev'.

2. From the main Edmodo home screen, click “Parent Sign-up”

3. In the window, enter the parent code and your information (i.e. relationship to student, name, user ID and password, etc.), and then click "Sign Up"

4. From your parent home screen, you can add other students (i.e. siblings, nieces, nephews, etc.) by clicking on “Add a Student” and entering their parent code.
