- Please do not use the browser back button as it may not function as

The way of recovering a user ID or password is very similar. Select either 'forgotten your user ID' or 'forgotten your password' as appropriate.

Directgov

If you have forgotten your User ID

Choose which of these options applies to you.

I use my Government Gateway account only for Universal Jobmatch

Please use [Forgotten User ID](#) to resend your User ID (you will need to have your verified email address to hand)

I use my Government Gateway account for Universal Jobmatch and other government services

Please use [Forgotten User ID](#) to resend your User ID (you will need to have the details of your other government services to hand)

Select the link relevant to whether you use the Government Gateway account only for Universal Jobmatch or for other government services as well.

You will be asked to enter your password and the email address used when creating your account.

Forgotten User ID

If you have forgotten your User ID and you do not have a verified email address associated with the account, you will not be able to use this facility. Please contact the Help Desk.

Please note: * indicates that an answer is required.

Login details

Password: *

[Forgotten password](#)

Email address: *

Enter the verified email address associated with the User ID to be resent.

[Cancel](#)

When you click the **submit** button first part of your user ID will be shown on the screen with the remainder sent to your email address

Directgov

Forgotten User ID

Your User ID is as follows:

The first half of your User ID is: 930195

For security reasons, the second half of your User ID has been emailed to your email address.

The only difference when recovering a password is that you will need to enter your user ID with your email address.

Forgotten password

Please note: * indicates that an answer is required.

Login details

User ID: *
(e.g. 143579033234 case insensitive)

[Forgotten User ID](#)

Email address:

Enter your email address, or leave blank if you have no email address associated with this User ID.

[Cancel](#)

Submit 

Part of your password will appear on the screen with the remainder in an email.
