Think Through Math Parent Portal Directions

Parents, please visit the following website to sign up for your own personal parent account to have access to your student's performance and progress:

https://lms.thinkthroughmath.com/customers/1770/registrations/new

Follow the directions below to register:

- 1. The Parent Self-Registration Welcome Page will appear with two options:
 - Sign Up first time users
 - Login for existing users

	WELCOME! Thank you for signing up for Think Through Math. We have received your request and will be sending you an e-mail with additional information. If our e-mail does not appear soon in your inbox, please check your junk mail.	
	© 2013 Think Through Learning, Inc. ALL RIGHTS RESERVED.	

3. Clicking the link in the email (shown below) will guide the user to the email confirmation page where the user can set their password.

• After clicking the email link, the user can set their password and click the *Save and Login* button.

• A Welcome page appears prompting the user to 'Link a Student'.
