Orientation Introduction:

The MLS Orientation class teaches you what the MLS is, what MiRealSource can do for you, and what services you receive for your monthly fees. The instructors will discuss the relationship between you as a real estate agent and MiRealSource as your Multiple Listing Service. This will include the **Rules and Regulations of the MLS** and how to avoid MLS violations, as well as an **Overview of the MLS system and the other tools and benefits** as a MiRealSource member.

The **Orientation Class is mandatory** and **must be taken within 30 days of membership**. The \$35.00 orientation fee will be billed to the broker billing statement – *however broker's policy regarding the fee is an internal policy within your firm*. If you register for a class and **find that you cannot attend the scheduled MLS Orientation Class**, please **call or e-mail the MLS Education Department no later than 48 hours prior to the scheduled date** to cancel.

Failure to Cancel Attendance 48 hours Prior to Scheduled Class
Will Result in a \$20.00 No Show Fee

As a new agent, or an Administrative Assistant, we recommend taking the Paragon classes. These classes will introduce you to the basics of entering and accessing listing information. Paragon classes are **FREE** to members and may be taken as often as needed.
