Here are the steps to follow to login:

The first thing you have to do is to copy and paste the [Monkey Quest Login](#) page URL onto the address bar of your web browser: <http://www.monkeyquest.com/en/embed/login> Simply highlight the link provided and right click it and with the drop down list that appears choose Copy. When pasting the link onto the address bar of your web browser, right click the empty text field of the address bar and with the drop down list that appears click Paste.

Once directed to the login page, you will find a login section where you will have to input necessary information so that you can access your account. Start with inputting your Username on the first text field. Carefully input your Username so as to avoid any errors while trying to login.

After inputting your Username move on to the next text field and input your Password. Input your password carefully to avoid any errors while trying to login.

After completing the mandatory text fields, you may tick the Remember my Username and Keep me logged in check boxes so that the next time you want to access your account you won't have to go typing again information.

Lastly, click the Log in button and you will be then directed to your account so that you can play the game!

Encountered a roadblock? Reset your login credentials:

On the same page URL of Monkey Quest: <http://www.monkeyquest.com/en/embed/login> locate the login column and after find the Forgot Username/Password links.

If you are having troubles with your Username click the Forgot Username? link and you will be then directed to their Reset page. On their reset page you will be asked to input your email address. Input your email address and then click next. There are steps to follow so just follow the onscreen instructions carefully.

If you are having troubles with your Password then click the Forgot Password? link and you will be directed to their reset page.

On their Password reset page, you will be asked to input your Username and the captcha code. After doing so click Next. The next step will include inputting your email address and from there they will send you a link to your email so that you can change/reset your password.
