Skyward perry township

Two-way communication between school and home is an integral part of providing an education of the best quality to each pupil. Skyward is the student information system at Perry Township Schools, which gives parents and caregivers the ability to track their students' progress throughout the year. Parents may see lack of work, qualifications, attendance and discipline. They can also track their students' lunch account balances. Automatically enrolled students have access to Skyward. Parents and guardians can access their skyward account once they have sent a valid email address to their students' school. Skyward Login Starting with Skyward The skyward main portal is already configured for all parents with their email addresses in the file. First login: Visit our main skyward portal and click Forget your login/password? Enter your email address in the file with the school. You will receive an email with your login information. Change your password to something you'll remember. Email address update: If you've never been to Skyward and haven't provided an email address, contact your child's school. More Skyward Tips & Tricks There is a lot of information for parents on the Skyward Parent Portal! Be sure to allow pop-ups in your browser settings for the Skyward district website! If you do not have a login, please contact your child's school office. Skyward Family Access is your gateway to all student information and also communication with teachers. There is a full academic record for your child, as well as current grades, fees, schedule, attendance information and more. Take the time to view the student manual, access the district calendar, or update your contact information. This online access is designed to be family friendly! Chyrie Thompson, director of Food Services leads a team of 180 professionals who prepare, deliver and serve more than 17,000 total meals each day. We are fully committed to providing quality nutritious meals at breakfast and lunch that comply with USDA school meal regulations and comply with USDA dietary guidelines for Americans. Perry Township School's wellness policy promotes smart snack guidelines for on-demand snacks sold on campus during the school day. All menus and nutritional information are provided on the food service website. The food service office provides information on ingredients. If your child has medical dietary needs, please contact the school nurse. If your child has special dietary needs for religious reasons, please send a note to the food service manager at your child's school. We'll mark your child's account accordingly. Your student's accounts can be accessed and monitored through your Skyward Family Access. Parents can see all purchases and payments made to their child's account. Prepays to your child's account are mandatory and can be easily made to the student's feed service account through electronic funds by clicking previous electronic funds. Electronic funds can also be accessed by clicking on Lunch Rate Payments in Quick Jump on the right side of the district homepage. Cash payments and checks will also be accepted at your child's school to be sent to your child's account before meal service. These payments should be sealed in an envelope with your child's name on it. Please monitor your child's account frequently to avoid avoiding Balances. Negative balance statements will be sent to parents each month during the school year, except December, for immediate payment. We look forward to serving our students at Perry Township!
