

How to have a prescription transferred to the local Osco Pharmacy that delivers to Curry College Health Services:

If you **have refills** remaining on your prescription (check the pill bottle or pill pack for “Refills” and if the number is 1 or more you **DO** have refills)

1. Call Osco Pharmacy at 617-364-3161
2. Press the number to speak with a pharmacist or ask to speak with a pharmacist
3. Request that your prescription be transferred to Osco pharmacy.

For example: “Hi, my name is _____. I currently get my prescription at _____ pharmacy in my home town. I am now a Curry College student and would like my prescription filled at Osco and delivered to campus. Can you please transfer my prescription to Osco.”

*Before calling Osco Pharmacy, make sure you have the information for the pharmacy you have been using (***name of pharmacy and telephone number which is on the pill bottle/pill pack***)

If you **do not have refills** remaining on your prescription (“Refills” section on your pill bottle or pill pack will say “0”)

1. Call the office that prescribes your medication/pills.
2. Ask to have a new prescription sent to the pharmacy near Curry College and give them the following information:

-Osco Pharmacy, located at 1377 Hyde Park Ave in Hyde Park, MA. telephone# 617-364-3161

-Tell the person you speak with to put in the “notes” section of the prescription, “Please deliver to Curry College Health Services”

-For example: “Hi, my name is _____. I am currently a college student at Curry College in Milton, MA and need my prescription refilled at a pharmacy near school. The name of the pharmacy is Osco located at 1377 Hyde Park Ave in Hyde Park, MA. The telephone number is 617-364-3161. In the notes section of the prescription, please write “Please deliver to Curry College Health Services”.

Please note: Prescriptions are delivered Monday-Friday, on the next business after 1 pm. You will be contacted by email when your prescription is ready for pick up. Prescriptions can be picked up between 8:30-4:30 pm Monday-Friday. Please note: Health Services is NOT open on weekends or holidays.
