6. Select the **'Guidebook'** to view the lesson plan from the PD video or any other additional resources to support the lesson/strategy. This will open as a separate PDF.

7. To search our entire library by PD topic or presenter, use the **'Search'** tab at the top of the page.

8. From any page in Edviation you can access the Help page by clicking on **'Help'** in the upper right corner.

When you click on Help there are four options to choose from:

1. What's new?- This will show you any updates to Edviation (added content and functionality).
2. How do I...?- This will give take you to user guides with directions on how to use all the different aspects of Edviation.
3. Teach Me- These are Distance Learning courses. They are self paced, interactive courses that teach some of the basics of how to use Edviation.
4. Something's Wrong- This has all the information you need to reach Support for School Improvement Network.
