

How to Apply for GI Bill Benefits

- ✓ Go to the VONAPP webpage <http://vabenefits.vba.va.gov/vonapp/default.asp>
- ✓ Create an account by clicking “I am a new VONAPP user” and fill out the standard identifying personal information
- ✓ Once you have set up an account on VONAPP, log in and fill out the appropriate VA Form. Choose the form that applies to you from the list below:
 - For Veterans
 - Chapter 33, 30, 1606, & 1607: fill out VA form 22-1990
 - Chapter 31: fill out VA form 28-1900. For more information about your benefits under chapter 31 call Jeanie Raymond at 801-326-2431 or email her at Jeanie.raymond@va.gov
 - For Dependents (those who are receiving transferred benefits from Veteran)
 - Chapter 33: fill out VA form 22-1990e
 - Chapter 35: fill out VA form 22-5490
- ✓ On the application, ensure that you elect the GI bill you are eligible for and want to use. For more information on the GI bills see our “VA Programs” link on our webpage
- ✓ Register for classes and track application process
 - Register for classes as soon as Snow College registration period opens. Snow College gives first priority registration to all Veterans

- Schedule an appointment with the Snow College Veterans Coordinator Miriam Thomas. You can do this by calling (435) 283-7065 or emailing Miriam.thomas@snow.edu
 - At this meeting bring your DD-214 and/or NOBE
- The veterans coordinator will then do the rest of the work to certify you for your GI Bill benefits
 - Students can call 1-888-442-4551 to check on their benefit status.
 - Once you have been found eligible from the VA, you will receive a certificate of eligibility in the mail (usually within 30 to 45 days). You MUST bring a copy of this letter into the Snow College veterans coordinator.
- ✓ Verify Attendance
 - EVERY MONTH while you are in school, you must verify with the VA that you are still in fact taking courses to receive your next monthly deposit
 - This step is NOT required for POST 9/11 (Chapter 33)
 - You can do this two ways:
 - Call 1877-823-2378
 - Go online at <http://gibill.va.gov/wave> and verify attendance through the Web Automated Verification of Enrollment (WAVE)
- ✓ Maintain at least a 2.0 or higher GPA
 - To qualify for educational benefits, students must choose a course of study and successfully complete classes required for graduation. Students must maintain a 2.00 or higher grade point average to remain eligible for VA benefits. Failure to meet this requirement for two consecutive semesters may result in a termination of benefits.
- ✓ Next Semester
 - Do not resubmit the VONAPP unless you are changing schools or degree plans
 - If you have changed either of these, use the form 22-1995 in VONAPP
 - As soon as registration for the next term opens, register for classes early and bring your class schedule to the Snow College veterans coordinator Miriam Thomas to submit them to the VA

✓ **IMPORANT!** Every semester you MUST see the veterans coordinator to approve classes and submit the VA for eligibility.
