

## Important Information

Refer to the Quick Start Guide included with your phone for instructions on setting up your phone and voicemail, as well as other important information.

Please note that a number of the Sprint-branded applications that appear on your device and which are described in the user guide may not fully function. The Mobile hotspot application is functional only for subscribers of HawaiianTelcom's hotspot service. To subscribe to this service, please call 643-3456 and select the "Wireless" option to speak with an agent.

Also, customer service is provided by HawaiianTelcom and references to Sprint customer service should be disregarded. For HawaiianTelcom customer support, please call 643-3456 and select the "Wireless" option. Additional information can be found at [hawaiiantel.com/wireless](http://hawaiiantel.com/wireless).
