New Account Request

The screenshot shows a web browser window with the URL <https://secure.emdeon.com/newuserrequest.aspx>. The browser's address bar and menu bar are visible. The page features the emdeon logo at the top left. The main content area is titled "New Account Request" and contains a form with the following fields and instructions:

First:
Last:
E-mail:

Username:
Password: Strong
Confirm Password:
Security Question:
Security Answer:

NCPDP #'s of stores you wish to access: (optional)

Submit Request **Cancel**

Username's cannot contain an e-mail address, special characters such as ~, /, \, [,] , " , ' , ! , @ , # , \$, % , ^ , * , & , ~ , < , > , = , and must be a minimum of 3 characters.

Password criteria: Is at least 7 characters; has not been used in the previous 10 passwords; must not have been changed within the last 1 days; does not contain your account or fullname; contains at least 3 of the following four character groups: English uppercase characters (A through Z); English lowercase characters (a through z); Numerals (0 through 9); non-alphabetic characters (such as !, #, \$, %).

Guidelines for strong passwords:
Strong passwords have the following characteristics:

- Contains **both** upper and lower case characters.
- Contains **all** of the following: numbers, letters, and special characters.
- Is **not** a word in any language, slang, dialect, jargon, etc. (cannot be found in a dictionary and is not used in daily conversation).
- Is **not** based on names of family, friends, pets, companies, etc., or personal information such as birthdays, addresses, phone numbers, etc.
- Is **not** based on word or number patterns (e.g., aaabbb, 123321, etc.).
- Is **not** based on any of the above spelled backward or preceded/followed by a digit (e.g., password1, 1password).

New Account Request

New Account Request

Thank you for submitting your inquiry to eRx Network Customer Support. Your message will be assigned to the appropriate personnel for review. You should expect a response via e-mail or phone within one business day. If your matter requires immediate attention, please contact our helpdesk at 866-ERX-NETWORK (866-379-6389).

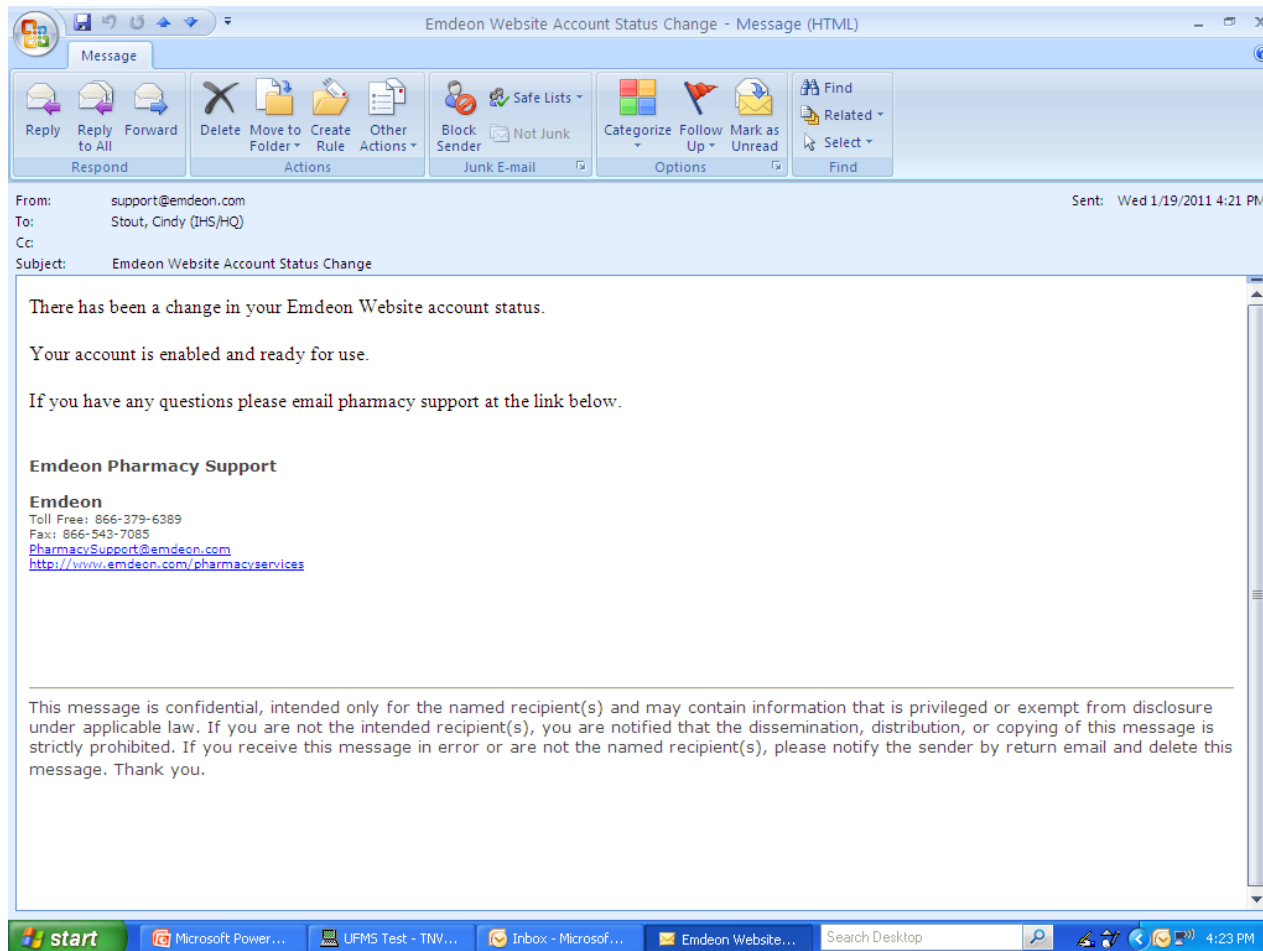

Please be sure to visit www.ernetwork.com to take advantage of our web-based resources. Current Network Services customers can log into the secure website to access the following tools:

- ScriptView - View 90 days worth of your store's Rx submission/response information
- Drug Search - Provides up-to-date drug information such as NDC, GPI, name, manufacturer, etc.
- Prescriber Search - Provides a physician's NPI, DEA, name, and address
- Processor / Plan Search - Provides BIN, PCN, processor, and/or plan information
- Payer Sheet Search - Provides third party field requirements for NCPDP claims

Thank you for your business. We will be in touch as soon as possible.
